(TO BE FILLED IN BY THE OFFICE)

PURPOSE OF SPONSORSHIP: Anjalina is good in studies, and good in singing. Her father is working in the factory as a laborer. He has very less payment and her mother is working in a private school and she gets very less salary. Therefore they find difficult to give good education to the child.

RECOMMENDATION: Parents income is not sufficient to meet the educational expenses of the children. Hence I recommend this case for financial help.
