#### (To Be Filled In By The Office)

Recommended for financial help: - The child Daisy Flora comes from a very poor family. She has lots of interest to study more and come up in life. But the income which the father gets is very less where he has to maintain the family needs, fulfill the children's school needs and also to pay the rent of the house. He is very much worried about his two girl children's future studies. The child does not have mother she expired, so there is no motherly love. The father is the only bread winner of the family. So to give good education to the children this family is in need of financial support.
